Next week on Tuesday May 28<sup>th</sup>, I have been asked to perform a few songs from my album during the noon hour at **Hope House**. I am thrilled to be asked to share some of my music and perform a few songs from my new album **Underdog**, Available on Trilogy Records International - Distributed World-Wide through The Orchard. You can listen and/or download my music on Digital Storefronts everywhere. Even more exciting is I have been asked to speak about the artistic side of my life and how I got here and where I am headed. It will be my pleasure to share some of the ups and downs of the hurdles I have gone through to get to where I am today and I look forward to this event. There will also be a Q&A and I am pleased to be able to give my insight on being in the music business. Information and details are below.

I am very pleased to have been asked to perform at **Hope House** On **Tuesday, May 28<sup>th</sup>, 2019**. It is going to be a wonderful event and I am looking forward to sharing some of my history as a Singer Songwriter and Guitarist. The **event starts at 10:15 a.m.** when I will be making my presentation. I will have the pleasure of performing some of my music at lunch time.

I look forward to meeting everyone and will be pleased to answer any questions from those who want to know about being a singer Songwriter.

Of special note on behalf of the organizers: **I humbly acknowledge that we reside on the ancestral and treaty lands of the Mississaugas of the Credit First Nation of the Anishnawbek Peoples.**
