On Tour with Don Sawchuk

(Toronto, August 30, 2019) Don Sawchuk is a one of a kind, and a multitasker if there ever was one. By day he works for a great company wherein there is a passionate connection that is relevant to his artistic endeavours as a singer songwriter.

Don has always been a champion for **The Underdog** which is actually a reflection of his youth and personal experiences, so it is no coincidence that he found a career that certainly caters to the vulnerable. His commitment to **The Underdog** comes through in his music and his current travel plans, which include some business, also will give him an opportunity to spread a message of hope to the “**Underdog**” which he does through his singing and original music compositions.

While on tour Don will be dropping in on Radio Stations and various media outlets to say hello and if time permits he will be happy to bring in his guitar and play some music and leave you with a memory - his new CD titled **Underdog** which is available on Trilogy Records International and is Distributed world-wide by the world’s leading digital distributor The Orchard.
